# TARGETED UK

In the shadows of UK society, exists an unseen evil. A program known as the Targeted Individual Program which has one goal, the destruction of every aspect of a humans life! This hideous targeting program is designed so as the authorities cannot be held accountable by using private security companies consisting of ex-military & police personnel. The program is designed to be invisible to the un-trained eye & is run with military precision, so much so it leaves the victim with nowhere to turn! The goal of the targeting program is to drive the victim insane or worse get them to commit suicide leaving no one accountable! This indeed is one of the greatest crimes against humanity this world has ever seen!!

Slander campaigns are run against the chosen victim leaving them isolated & alone with no one to help!

- 24/7 NOISE CAMPAIGNS
- HOME INVASIONS
- DRUGGING OF FOOD & DRINK
- DESTRUCTION OF PROPERTY
- WORKPLACE MOBBING
- STALKING
- STREET THEATRE
- ELECTRONIC HARRASEMENT

Our goal is simple, we want to spread awareness that this crime exists, in support of families who have lost a loved one to this horrific program and before more innocent people's lives are lost or destroyed. If you know someone who is going through this or if you would like to learn more, please visit these websites at the bottom..

these are just a few examples of what the chosen victim faces on a daily basis. If the victim reports the targeting to the police they will either be ignored or given a misdiagnosis of a mental health illness!

**THIS IS DOMESTIC TERRORISM & A CRIME AGAINST HUMANITY AND MUST BE EXPOSED BEFORE MORE INNOCENT LIVES ARE LOST OR DESTROYED!**

## PLEASE RESEARCH THE TERMS:

Satan Lucifer's demon-possessed mind-controlled assets can be identified by info they hide

You know immediately who Satan Lucifer's "Black Sun" Nazi Satanist Luciferian theosophist New Age Wicca witch MK Ultra mind-programmed infiltrated propagandist assets are because they are not only God-hating and Christian-hating, because they are raped & sodomized & tortured as infants and small children by Draco reptilian chimera alien incarnate avatar pedophile cannibal Satanist church pastors and Satanist witch church members dressed in Jesus costumes, in order to infuse demon spirits inside their trauma-based mind-fragmented "multiple personality disorder" minds, and support the Draco avatar Donald Trump and the "Black Sun" Satanist Nazi SS American military, and share Satan Lucifer's "fake alien deception agenda soft disclosure," but also because they hide the hundreds of vital critical important truths, such as all the information that Satan Lucifer and his ascended master fallen angel devils' future wife Carolyn Hamlett shared, or Satan Lucifer's personal protection "Hitler Mengele Prince Philip" genetic offspring breeding program people's exposure by Pastor Doug Riggs, or share Hillary Clinton's snuff film videos, or any information that will get themselves killed, or expose their black nobility bosses, etc. All you need to do is to connect the dots by criminal investigative deduction. The "thorn in the flesh" demons do not immediately start attacking us as soon as we start writing about this, unless they were both working for the same boss Satan Lucifer, and they did not like us exposing this. It is common sense.

### How Satanists create fragmented-mind gay lesbian feminist Christ-hater army for their NWO

Draco Pleiadian Mantis reptilian hybrid globalist elites and earth's hidden matriarchal rulers Satanist feminist witches are creating LGBT gay lesbian sex slaves by using the churches to disguise as pastors and church members dressed in Jesus' costumes to rape and sodomize little girls and little boys, to infuse demon spirits into their fragmented minds' compartments to create alter personalities in "multiple personality disorder" and create an army of lesbian gay bisexual sex slaves for life to kill Tribulation Saints in their Satan Lucifer's coming NWO, and to create a generation of church children who run to Illuminati New Age Wicca witchcraft as a rebellion against Christianity and the Satanist pastors and Satanist witches who raped and tortured them before the age of 4 years old or infancy to infuse the LGBT demons into them, to weaponize these gay lesbian people against God and Christians. It is ancient Noah's days nephilim civilization Atlantis method of creating demon-possessed "multiple personality disorder" gay lesbian sex slaves. The Draco reptilian chimera alien incarnate avatar globalist elites have psychic abilities to read the minds of humans and manipulate their sexual minds telepathically, so they use the earth's nephilim gay lesbian sex slave farm to pick up sex slave boyfriends and girlfriends in any bar or workplace or school or social gathering. The Satanist fathers rape their daughters, so the fragmented girls grow up not knowing why they hate men.

Rape child before 4 years age to fragment mind to "multiple personality disorder" compartments to infuse demon spirit	Child develops a gay lesbian alter personality to deal with the trauma they experienced	Satanist pastors and witch church members wear Jesus costumes and sodomize and lesbian rape the girls and boys to create gay lesbian army of Christ-haters and God-haters to use in NWO to kill Tribulation Saints	There are now hundreds of millions of these LGBTPB sex slave for the reptilian hybrid elites

**God listens to our prayers, and shuns Satan Lucifer's begging & pleading & praying**

Some people may think that God listens to Satan Lucifer's prayers and begging and pleading to be allowed to attack us more than God listens to us his children's prayers, because of the sheer number of attacks every day and it seems that our prayers are not being heard because the enemy does not seem to be diminishing. However, this is not true. God cuts off Satan Lucifer's pleading and begging and prayers, because he is the enemy. God does not listen to the Satanists' prayers to Satan Lucifer to allow God for him to attack us. God shuts Satan Lucifer's requests off. God listens to our real Christians' prayer, who are fighting for his honor and name and righteousness and people and kingdom, to destroy and humiliate and restrain Satan Lucifer and his minions. It depends on which god they are praying to: the God who is sovereign over heaven and earth or the fake god who has to ask the real God to be allowed to attack us real Christians. Satan Lucifer tries to attacks us, and we do receive persecutions, but God undoes and restores and heals and backfires and uses all things for our good. Satan Lucifer is just good at hiding the devastation and panic and loss that his kingdom is taking from our prayers. Be not dismayed, but endure to the end, and trust in God, and believe what his Word says. God's Word says all who attack us falls, and this is the vindication from God to us, and the heritage of the servants of YHWH Jesus. Kamikaze attack the enemy and expose them.

However, this is not true. God cuts off Satan Lucifer's pleading and begging and prayers, because he is the enemy. God does not listen to the Satanists' prayers to Satan Lucifer to allow God for him to attack us. God shuts Satan Lucifer's requests off. God listens to our real Christians' prayer, who are fighting for his honor and name and righteousness and people and kingdom, to destroy and humiliate and restrain Satan Lucifer and his minions. It depends on which god they are praying to: the God who is sovereign over heaven and earth or the fake god who has to ask the real God to be allowed to attack us real Christians. Satan Lucifer tries to attacks us, and we do receive persecutions, but God undoes and restores and heals and backfires and uses all things for our good. Satan Lucifer is just good at hiding the devastation and panic and loss that his kingdom is taking from our prayers. Be not dismayed, but endure to the end, and trust in God, and believe what his Word says. God's Word says all who attack us falls, and this is the vindication from God to us, and the heritage of the servants of YHWH Jesus. Kamikaze attack the enemy and expose them.

Human Race Survival Resistance

\*\*\* Intelligence news update from the Human Homo-Sapiens Race Survival Resistance (HRSR) headquarters and Republic Rebel Alliance battlefield (March 2022).

**Huge numbers of reptilian hybrid Satanists diverting dumb humans' attention away**

When you see that only ten people watch our videos on repenting and women's head coverings rebelling, but hundreds of people watch our videos on how after finished using them the Draco bosses are planning to use their Satanist human servants as livestock food in the underground bunkers, it shows to me from a criminal investigative deduction just how many Satanists are on the patriots' Brighteon video website diverting the dumb religious Christian freak hordes attention away from our real Christians' warnings to repent of redefining the Bible verses and diverting their attention to all their meaningless videos on wars and rumors of wars and politics and vaccine resistance and economy. It shows the sheer number of reptilian hybrid Satanist infiltrators and the sheer dumbness of the human populace. Sin makes humans dumb and taken over by non-humans, and the Holy Spirit of God makes humans wise and holy.

1 Thessalonians 2:14-16 "You suffered from your own people the same things those churches suffered from the Jews who killed the Lord Jesus and the prophets and also drove us out. They displease God and are hostile to everyone in their effort to keep us from speaking to the Gentiles so that they may be saved. In this way they always heap up their sins to the limit. The wrath of God has come upon them at last." Jezebel and Sananda Jesus' bare-headed cross-dressing democracy Church abandoned our real Christians and threw us out as gutter scum because they thought we would get killed by the Illuminati NWO CIA NSA MI6 FBI assassins and millions of cult occult assassins, but we real Christians of our Almighty Holy Righteous Loving Creator God YHWH Jesus do not abandon our brothers and sisters who abandoned us, though we face horrific unimaginable persecutions every day, so that God may be glorified and his honor upheld, and we may drive the sword into Satan Lucifer's prideful heart. They did not like my sermon yesterday, because they have been attacking my heart while sleeping and all day to try to frantically cause a heart attack. It is laughable. ### Depriving Me Of Sleep

**Obsessed With Me Again, Lori LaFond Has A Schedule She Keeps For Keeping Me Exhausted**

There isn't a single victim of Lori's that hasn't been through this part of her lame domestic terror...sleep deprivation. Let me give you an example of what I am talking about. Lori, a deeply disturbed crystal meth addict, never sleeps. So far for the Month of May, she has a total of 3.5 hours of sleep! I work, long hours, and get home by 7:30 am. After 8 hours of already hearing her scream and bitch, I am tired. She and her best friend, Christian Johnson, who she claims not to know in her restraining order, then begin shooting up meth. The pair have a schedule to keep me awake. From about 8 am until 3:30 pm, the two scream, rant, complain, and rage until I fall asleep exhausted. Literally she spends the entire time trying to get Jeffrey Katzenberg to talk to her. "If I can only get him to listen to me," she says. I am literally being deprived of sleep because Jeffrey won't talk to her, something he doesn't seem to mind. Since he's not implanted, he can just turn off the speaker on our party line and he hears nothing. I, on the other hand, get about 5 hours of sleep per day. On my two days off, I sleep all day and night to try to catch up on sleep. This crime is already hard on the mind, this is horrible!!!

Electronic weapons and gang stalking are technology and methods used by national security services to control people violating human rights in hidden ways.

Electronic weapons are used to manipulate, misperceive, torture and murder people. Using gang stalking methods people are murdered by doing them ensure to make them control suicide, collapse into a psychosis, prevent or control a crime. Most victims are innocent and without a clue why this is happening to them.

### DOES NOT DO WHAT LORI THINKS IT DOES

Once Lori Jean LaFond has implanted you with one of these RFID chips, she honestly believes that she can control everything that the victim does. It's a microchip Lori, not a human slave maker like you think it is. First of all, God only knows how Lori likes to experiment on gay men. I'd say, "Like a lab rat", but scientists keep those alive for studying. I'd say a guinea pig, but this system is so old and thousands of soldiers, AND THEIR FAMILIES, were implanted with these devices. There is only so much that the team of harassers inside Lori's home know when and how most "thought conversations", go. What does transfer, is what is picked up from Lori's skull cap transmitter that she wears on her head, are her EEG's, and the "feelings that go with them" transfer. She is far too insensitive to be able to know how I physically feel plus Lori doesn't understand real emotions and feelings like other people. She and I think of death, live, love, and fear, completely different, so what she transfers to me are her EEG's that make no sense to me...they don't work on my brain computer, until I train my own body and mind to know what she is conveying. In other words, I can definitely tell the difference between my thinking and hers. It's simply doesn't feel the same. Lori can't make my arm raise by raising hers. If she thinks it, I can see it in my mind, but it doesn't move my arm or any other part. What Lori wants is a cyborg, not a EEG reader, like a heart monitor for a pacemaker. I'm not a hybrid robot

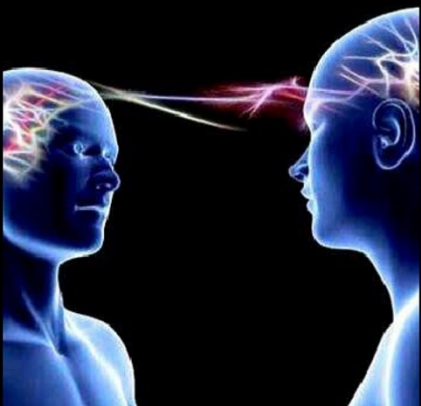

I'm a man that was raped, brutally...and nobody cared. A chip in my body should suffice that someone raped me, my smashed skull would agree.

# Deep State Plans for Treason PRESIDENTIAL DIRECTIVE 51

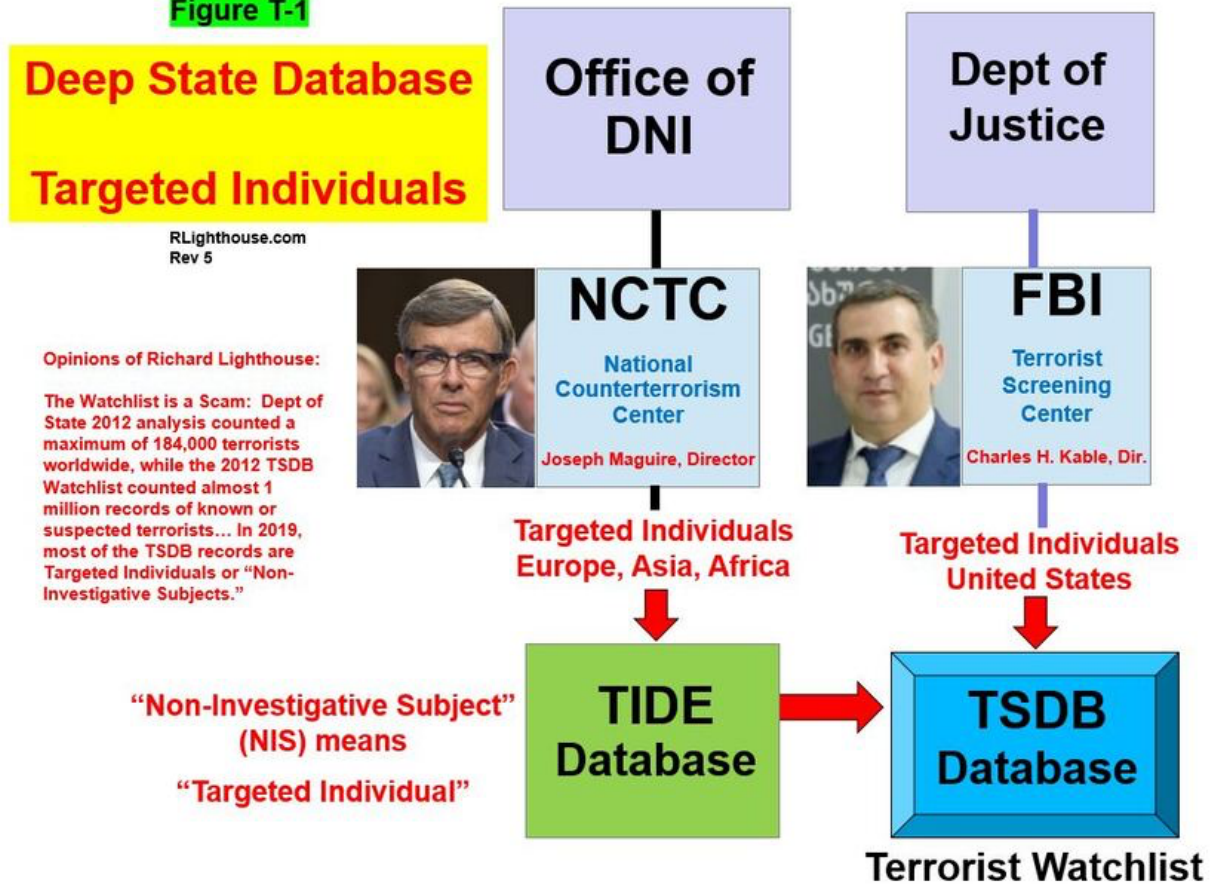

**Deep State Planning for Treason.** This diagram shows how Directive 51 is related to the gangstalking. Presidential Directive 51 "claims" that the President can declare Martial Law in the United States, which is Unconstitutional. This includes an "Emergency Detention Program," where FEMA plans to round up and imprison anyone opposing the takeover. There are more than 900 FEMA prison camps in the United States. City Mayors are told to sign a "Delegation of Authority" which gives control of a city to FEMA designated people. The World Affairs Council (WAC), a subsidiary of the Council on Foreign Relations (CFR), plans to take control of the local governments (because FEMA will designate them). WAC conspirators have held training exercises, where they simulate taking control of the Mayor's office and City Council. The WAC office in Houston, is in the same building as the FBI. Coincidence?

FEMA is organized into 10 Regional Administrators that will control the 50 states, and we call these seditious criminals - the Linebackers of Treason. FEMA calls it “Continuity” planning or

Resilience planning - it is a plan for Treason.

According to Dr Steven

Greer, there are about 38 Levels of Security Clearance. The TI program is approx Level 24, which is above the clearance of President Trump (Level 17) - he does not know about it, because his security clearance does not allow it. Such a situation is Unconstitutional and illegal, yet it is deliberately staged this way by the Deep State. Supposedly in the 1970's, Vice President Nelson Rockefeller established this security system to deny information to the President. [Diagram is an approximation].

Military Microwave Weapons Used on U.S. Civilians:

**Our Main Message:**

**1) Thousands of people in the U.S., are being attacked with High-Powered Microwave (HPM) weapons, from satellites and cell towers. These weapons are controlled from Schriever Air Force Base in Colorado. See our pictures of microwave burns as proof:**

<https://www.targetedjustice.com/microwave-burns1.html>

**This is the same weapon system, that was used on the U.S. Diplomats in Cuba.**

**2) Most people in the world, are being precisely tracked by microwave pulses from Lockheed GPS satellites, operated by the U.S. Space Force, Squadron 2, at Schriever Air Force Base. (No, this is not Russia or China. It is funded and controlled by the CIA.)**

**3) Panel antennas on cell towers are part of a "global distributed weapon system." The antennas use digital beamforming to create microwave "bullets," that can be very painful, and even deadly.**

**4) Subliminal messages are directed through Cell Towers, at everyone, 24/7. Schriever AFB is the source. U.S. Patent 4,877,027. Senators, Congressmen, Judges, and even the President, are being hit with specific subliminal messages to affect their decisions.**

**5) The CIA controls and funds this illegal program, under the Council on Foreign Relations (CFR). The program is based on MK-Ultra mind control technology, and the FBI's illegal COINTELPRO.**

- Quickly programmed to speak (forced speech) or perform activities.
- Can be turned into "Unpaid Perps"

- Difficult to control or alter behavior.

### Creating a Highly-Suggestible Population:

- 1) Cell towers - transmit frequencies to induce trance state, and subliminal messages.
- 2) Subliminal messages - used for behavioral programming
- 3) Vaccines - alter DNA and behavior. Contain toxins, nanites, & metals that accumulate in the brain. Metals resonate with trance-state frequencies.
- 4) Chemtrails - finely ground metals in jet fuel - such as barium & aluminum, accumulate in the brain and help to induce a trance state, which increases the susceptibility to subliminal messages.
- 5) Nanotech - deliver specific chemicals & metals to alter behavior.
- 6) Remote Neural Monitoring (RNM) - used for measuring the effect of subliminal messages and to optimize programming.
- 7) Implants - used to measure effects of behavioral modifications/sensors.

"...dream reality is as valid and real as waking reality."																Version 7.4, 9 Nov 2021				
— The Seth Material, Chapter 14																				
"Entropy does not exist. It is the appearance only of an effect within the physical perspectives; that seemingly unusable energy helps form your dream universe. That energy from which you seem to get no work physically, that energy which seems to diminish in value, is plowed backward into inwardness, regenerated and used to form universes without which you could not exist, even as physical beings."																				
— Early Sessions, Session 109, November 23, 1964																				
"They are, if you prefer, incipient particles that have not yet emerged into matter."																				
— Seth Speaks, Chapter 5, Session 524, April 20, 1970																				
"The connections between the dreaming self and the waking self, and between the dream universe and the physical universe, exist on chemical, electromagnetic and psychic levels. They are completely interwoven. Effects in one are reflected in the other(s)."																				
— Early Sessions, Session 178, August 16, 1965																				

## Home Power Generator using “Zero-Point” Energy

The Zero-Point is created by a Blinking Universe.  
RF Sweep across 1,101,361,642,963 Hz or 2X

Note: To maximize output, the coil should resonate at a sub-harmonic of the Lighthouse Frequency.

Harmonics of the Lighthouse Frequency & Laser wavelengths. This diagram shows how the Lighthouse Frequency is used as a weapon. Harmonic numbers 256 & 512 are being used by the USAF & US Space Force. Highlighted in yellow are the harmonics which are very close to known laser frequencies. By utilizing the Expanding Neutral Point - rapid aging occurs at the target. Note the overhead view of the World Trade Center on 9/11 - cookie cutter holes that go thru steel and concrete.

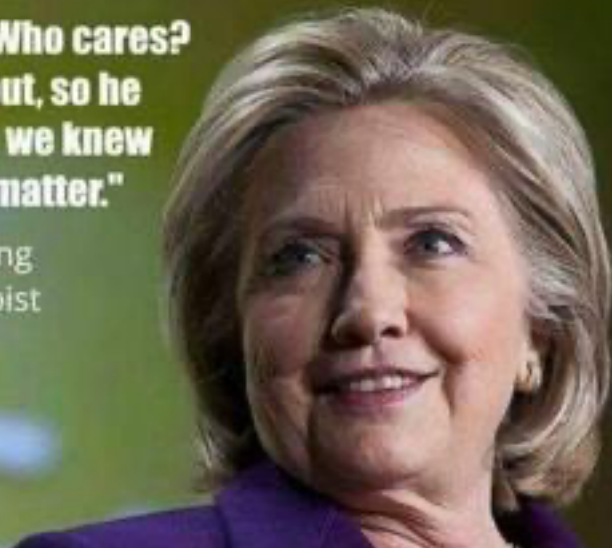

**In 1975 when I was 12, I was raped by a 42 year old man. Hillary Clinton volunteered to be his lawyer.**

**In court, Hillary told the judge that I made up the rape story because I enjoyed fantasizing about older men.**

**"Yeah, I got him off. So what? Who cares? We got the evidence thrown out, so he walked. 'laughs' I mean, sure, we knew he did it 'laughs' but it didn't matter."**

# TARGETEDUK

In the shadows of UK society, exists an unseen evil. A program known as the Targeted Individual Program which has one goal, the destruction of every aspect of a humans life! This hideous targeting program is designed so as the authorities cannot be held accountable by using private security companies consisting of ex-military & police personnel. The program is designed to be invisible to the un-trained eye & is run with military precision, so much so it leaves the victim with nowhere to turn! The goal of the targeting program is to drive the victim insane or worse get them to commit suicide leaving no one accountable! This indeed is one of the greatest crimes against humanity this world has ever seen!!

Slander campaigns are run against the chosen victim leaving them isolated & alone with no one to help!

- 24/7 NOISE CAMPAIGNS
- HOME INVASIONS
- DRUGGING OF FOOD & DRINK
- DESTRUCTION OF PROPERTY
- WORKPLACE MOBBING
- STALKING
- STREET THEATRE
- ELECTRONIC HARRASEMENT

Our goal is simple, we want to spread awareness that this crime exists, in support of families who have lost a loved one to this horrific program and before more innocent people's lives are lost or destroyed. If you know someone who is going through this or if you would like to learn more, please visit these websites at the bottom..

these are just a few examples of what the chosen victim faces on a daily basis. If the victim reports the targeting to the police they will either be ignored or given a misdiagnosis of a mental health illness!

**THIS IS DOMESTIC TERRORISM & A CRIME AGAINST HUMANITY AND MUST BE EXPOSED BEFORE MORE INNOCENT LIVES ARE LOST OR DESTROYED!**

# Microwave Weapons Used on U.S. Civilians:

<https://www.targetedjustice.com/microwave-burns.html>

[TJlawsuit@use.startmail.com](mailto:TJlawsuit@use.startmail.com)

The Deep State CIA & U.S. Space Force operate these weapons from Schriever AFB in Colorado, targeting political activists, whistleblowers, and scientists, etc.

## Key Evidence -

- 1) Credible Sources - 30 Medical Doctors and Scientists confirm the Targeted Individual Program is real. It is an Unacknowledged Special Access Program (USAP) funded by the CIA.  
<https://www.targetedjustice.com>
- 2) Sworn affidavits from 2 FBI agents confirm the Targeted Individual Program is real.  
<https://www.targetedjustice.com/affidavits.html>
- 3) The National Academies of Science confirmed the existence of microwave weapons, and stated they are "the most plausible mechanism" for the attacks on US Diplomats.  
<https://www.motherjones.com/politics/2020/12/cuba-china-microwave-attacks-diplomats-spies-science-report/>
- 4) U.S. Patents 4,345,220 and 4,877,027. The 4000 scientists at the U.S. Patent Office are not liars.

- 5) "Titan D.E.W. Capabilities" - technical paper published by engineers at the Titan Corporation in San Leandro, CA; admitting they built the High-Powered Microwave weapons under contract to the USAF.
