

# Rayan Report Against Mental Health abuse against him and citizens

## Introduction

Corrupt government and corporate elements are utilizing Remote Neural Monitoring Satellite technology also known as Satellite Terrorism to harass torture and terrorize individuals. This is being done illegally and criminally to individuals nationally and globally, and this criminal activity is going unpunished. In some instances these criminals are utilizing a Bogus, illegal so called "investigation" in attempt to coverup the crime. Once the Remote Neural Monitoring satellite technology is locked on the individual, this false, Bogus "investigation" is nothing more than repetitious harassment, torture and terrorism to the victim that last for years, with hopes of and objectives such as causing induced insanity, or hoping that the victim commits suicide, or having the victim jailed or institutionalized under false pretenses in attempt to discredit the victim. Targeted Victims should be aware that the definition of "paranoid schizophrenia" as

scriptedly "amended", includes victims complaints and references to beliefs that someone's reading and controlling their mind or hearing voices, even though the truth is, current sophisticated Remote Neural Monitoring technology allows this and illegal Non Consensual Experimentation to involve the remote causation of all these "symptoms". Psych bibles such as the DSM-IV conveniently do not contain this "classified" information. This is premeditatively, insidiously designed so that psychiatrists and other ignorant mental health employees can be used to discredit and silence victims by falsely merging real targeted victims with those who are suffering from mental conditions. Long term unemployment, isolation and other social problems also fit the psych profile of real schizophrenics, but again, most victims of technological crimes finish up in the same position and so can easily be mistakenly confused with those suffering from mental disorders.

## **Statement And Warning About Mis and DIS information About This Crime/Technology And Criminal Misuse And Abuse Of "Mental Health" Services**

TO ANYONE PERSONALLY RESEARCHING OR VIEWING INFORMATION AND VIDEOS REGARDING THIS CRIME AND REMOTE NEURAL MONITORING TECHNOLOGY, PLEASE IGNORE THE UNINFORMED UNEDUCATED (IGNORANT) AND SOMETIMES DELIBERATE DISINFORMANT COMMENTS AND DISINFORMATION SUCH AS "NEED MEDS" "NEED HELP" "CRAZY" "PARANOID" "MARIJUANA" OR "DRUG ADDICT" ETC. THE INDIVIDUALS MAKING THESE IGNORANT COMMENTS DON'T HAVE ANY KNOWLEDGE OR EDUCATION ON THE REALITY OF THE CRIMINAL UTILIZATION OF SATELLITES ALSO KNOWN AS (REMOTE NEURAL MONITORING) BEING UTILIZED FOR ILLEGAL CRIMINAL HARASSMENT, TRACKING AND TORTURE OF ORDINARY (SANE) INDIVIDUALS SIMULTANEOUSLY WITH CRIMES SUCH AS (ORGANIZED GANG STALKING). ITS TIME TO FACE REALITY AND WAKE UP TO THE FACTS THAT THESE TECHNOLOGIES ARE BEING ILLEGALLY CRIMINALLY UTILIZED ON INDIVIDUALS AND IN MOST CASES, THE "AUTHORITIES" THAT SHOULD BE INVESTIGATING AND TAKING THESE REAL CREDIBLE CLAIMS SERIOUSLY, ARE NOT AND ARE REFUSING TO DO THE JOB THAT THEY ARE PAID TO DO BY ASSISTING VICTIMS AND INVESTIGATING, INSTEAD OF ILLEGALLY UTILIZING AND ABUSING "MENTAL HEALTH SERVICES" BY ILLEGALLY VIOLATING VICTIMS RIGHT AND FORCING THE VICTIMS OF THIS TECHNOLOGY TO UNDERGO BOGUS MENTAL HEALTH "EVALUATIONS" WHERE THEY ARE SOMETIMES IGNORANTLY MIS-DIAGNOSED BY EITHER AN IGNORANT OR CORRUPT, COLLUDING "DOCTOR" THAT THE PERPETRATORS ARE UTILIZING AS TOOLS TO HELP COVERUP THIS CRIME. ILLEGALLY FORCING SOMEONE TO HAVE A MENTAL HEALTH "EVALUATION" FOR MAKING CREDIBLE CLAIMS OF ABUSE OF TECHNOLOGY WHEN THEY ARE NOT A CLEAR PRESENT DANGER TO THEMSELVES OR OTHERS IS (ILLEGAL CRIMINAL UTILIZATION AND ABUSE OF MENTAL HEALTH SERVICES TO VIOLATE VICTIMS RIGHTS, COLLUSION AND ALSO INVOLVEMENT IN A CRIMINAL CONSPIRACY). SURE THERE IS ALWAYS THE 3 PERCENT THAT MAKE SIMILAR CLAIMS THAT ARE ACTUALLY "MENTALLY DISTURBED" OR "PARANOID", HOWEVER THE OVERALL PERCENTAGE OF THE VICTIMS OF THIS CRIME ARE VERY SANE AND CREDIBLE, AND THESE "CRAZY" LABELS AND NONSENSE "MENTAL HEALTH EVALUATIONS" ARE ONLY A CONVENIENT ILLEGAL CRIMINAL TACTIC TO ATTEMPT TO DISCREDIT THE VICTIMS OF THESE TECHNOLOGIES AND TO COVERUP THIS ABUSE, TORTURE AND CRIME. THESE CRIMES ARE REAL AND THESE MODERN TECHNOLOGIES ARE REALITY. GET EDUCATED AND LEARN ABOUT IT! AND DISREGARD IGNORANT UNINFORMED COMMENTS FROM EITHER IGNORANT INDIVIDUALS OR DELIBERATE SCRIPTED RELAYED DISINFORMATION FROM THE PERPETRATORS!.

I have been a victim of this illegal activity in the Philippines for more than a decade. I don't know where to ask for some help. I have been tortured many times. There were even times I tried killing myself because I couldn't take it anymore. I don't have peace of mind. Even if I am very tired from my work, they don't respect me. When I am about to sleep they make nightmares. They also induce me to sleep a lot most of the time. I feel so sleepy most of the time. They make dreams everyday. Before it was too loud. I could hear voices so clearly. They even told me I was unfortunately insane. A lot of bad words were uttered. I was sent to the hospital in 2003. The doctor told me I had acute nervous breakdown. The doctor just gave me sleeping pill. I knew I was not schizophrenic. I was really sure it's because of the mental manipulation. I had a lot of hallucinations created by them. I lost my memory for almost 2 months. I seemed to lose life within. People thought I was crazy but I wasn't. I knew truly I wasn't crazy. I seemed to lose emotions. A lot of changes have been happening to me since the time I heard their voices so clearly until now. Before my health was really deteriorating. I was very dizzy and disturbed since I really heard voices. They mocked at me. They used very painful words that could lower my self-esteem. I cried many times because I know those things were true yet I didn't want them to be reiterated in my mind. Those words worsened my situation. I was very thin at that time. I had tuberculosis because I couldn't sleep, I was disturbed, I was tortured and I didn't have support from those people who really knew my situation. Even my family couldn't help me. Until now my parents get angry when I tell them about my condition. They just want me to forget them. I don't know if they really know the truth or just pretending. Perhaps the reason is because we are poor and powerless. I have no match with those people because they are very influential. They have affluent supporters. Why I know it? Even in the university where I studied, nobody could help. They just tolerated all the illegal and inhuman activities made by those people. I heard it's a project. There were some who said it's for the scholarship. They mentioned becoming a millionaire. You know what I have felt being cheated by all Filipinos. Nobody can dare to tell me why those people who have been doing this fatal experiment are free. Have they not felt all the emotional pains they have inflicted in me? I don't have mental freedom. I have been mentally enslaved by them 24/7. I have been trying to be happy. I have been trying to forget all things yet they have been dominating my thoughts inevitably. I just want to be free. I just want to live a normal life. I think a decade of experimentation is enough. I am overused. I am still breathing yet I am totally dead inside. I have nowhere to go and I have no one to cling to. I have been alone. My mind is so tired of understanding those people. My heart is so tired of begging them to stop doing it to me. Why have I been suffering too much? Why can they not spare me from that? I am so tired. I don't have true friends. My family can't help me either. We don't have money to fight against those people. Please, please help me. I want to have a peaceful life. Is it a hard favor to give? I don't want this product of technology to destroy my soul. They really taught me to hate people and lose self-confidence. Please help me. If only you can experience the pains I have inside. I can't imagine how proud they are in using my life for their selfishness. The voices are not clear anymore yet words pop up from my mind immediately. Please tell me how to stop these people. Many people have been deluded by them. Others are thinking they are good. They are thinking that it's not fatal. It is... As long as they are still free, I am sure more victims will suffer much. Please help me!

My name is Marisa am a victim of human minds trafficking ring operating in souths Brazil, i have an intracranial implant an i'm being tortured. I need help to save my life means to break free of this harassment. Criminals step into the human brain 24hs the connection an come from several People at the same time, reading the visual cortex through the computer brain interface using mobile phone masts and satellite. The mental grocery prison of life, torture or brain radar signature. There is a software created and based on neuroscience of the brain and human mind that is being used to torture People. Please help me blocking remote neural monitoring

When mentally attacked do something to get your mind of it, for example immediately do something else like go horse back ordering or swimming or something you enjoy that can distract you from what's going on in your mind that's unwanted. mite be hard at 1st however they will lose interest if you continue to make your life your own by forcing yourself to break free. If you just do nothing the result will be nothing. I don't recommend telling people they can't help only you can undo connection in mind, and if any implants get them removed. wish you all the best of luck. find your happy place

Oh I forgot if using street drugs stop. using only makes it worse and in a lot of cases that's were harassment starts a lot of street drugs are made by same people who torture you and I possibly how implant gets you atleast that's one way and also the study of chemicals for chemical warfare. I'm sure those who have this life stile can admit the drugs are not how they use to be 30years ago. The affect isn't not the same or fun yet people keep doing it. Don't misunderstand I'm not saying your experiance is all drug related however you have to clean your system and change what you do to rid of experiments and to have anyone beleve you. no one will beleve a tweeter. If you really want help start with yourself and like I said befor make up fun hobbies or things to distract the torture It won't be easy not at 1st. like anything the more you do it the better you get. best of luck to avoid trying what I've said last two blogs will only be you giveing up or giveing in. free will is yours so us it.

Their has to be a way to counter this remote e.e.g. or rnm! It operating frequency is and varies between and all around 2hz-50Hz! I think 2hz-50hz is transparent to all materials but I'm not sure, I haven't successfully found a way to block it yet! I tried Going 10ft underground but but no success, my cell phone had no coverage, Fm Frequencys are blocked, am Frequencys can still make it through. 1 suggestion is to take down record your own e.e.g. readings and find a

way to rebroadcast them maybe jam and give false readings or make a 2hz-50Hz rf generater. Another suggestion is maybe use charcoal and or boron carbide paint. Maybe the charcoal will absord the rf radiation and the boron carbide will block out x-rays gamma rays.

Filing law suits and passing law against it isn't going to solve this problem. The only way to solve this problem is to find a way to counter it, their has to be a way. Hell I'm surprised this whole planet hasent bein leveled out yet. Hell if they can see though your own eye's and hear though your own ear in real time!! Why the hell did take 10yrs to track and kill osoma bin ladin. hell where do you think all this this is going? what do you think about that? Take some time to think about it for a while!

Hi ive been a victum. I know exactly what your talking about. Its been months. Nearly a year. Im getting a spear feeling shot though the guts right now as i write. This is real. Very real. I get tortured everyday. I live in newyork.eyes,ears,heart,lungs,genitals and where ever he can get me. Do your self a favor. Go to the playstore. Download the bts tracker. Turn on data and location services. I can see them in real time.
