Introduction

Corrupt government and corporate elements are utilizing Remote Neural Monitoring Satellite technology also known as Satellite Terrorism to harass torture and terrorize individuals. This is being done illegally and criminally to individuals nationally and globally, and this criminal activity is going unpunished. In some instances these criminals are utilizing a Bogus, illegal so called "investigation" in attempt to coverup the crime. Once the Remote Neural Monitoring satellite technology is locked on the individual, this false, Bogus "investigation" is nothing more than repetitious harassment, torture and terrorism to the victim that last for years, with hopes of and objectives such as causing induced insanity, or hoping that the victim commits suicide, or having the victim jailed or institutionalized under false pretenses in attempt to discredit the victim. Targeted Victims should be aware that the definition of "paranoid schizophrenia" as scriptedly "amended", includes victims complaints and references to beliefs that someone's reading and controlling their mind or hearing voices, even though the truth is, current sophisticated Remote Neural Monitoring technology allows this and illegal Non Consensual Experimentation to involve the remote

causation of all these "symptoms". Psych bibles such as the DSM-IV conveniently do not contain this "classified" information. This is premeditatively, insidiously designed so that psychiatrists and other ignorant mental health employees can be used to discredit and silence victims by falsely merging real targeted victims with those who are suffering from mental conditions. Long term unemployment, isolation and other social problems also fit the psych profile of real schizophrenics, but again, most victims of technological crimes finish up in the same position and so can easily be mistakenly confused with those suffering from mental disorders.

OLD Remote Neural Monitoring Satellite Terrorism Log

For over 5 months I was hit extremely hard in all parts of my body with Directed Energy from this Remote Neural Monitoring Satellite Technology that caused "Shocks""Jars" and "shaking" on various parts of my body also intentional ringing In Ears which is (silent sound), this technology can also make heat or hot feeling of air around the body, also when you do something that these individuals "approve" of you are "tapped" lightly on your left arm with a small amount of directed energy and If you do something that is not liked you are tapped on the right arm as in negative.

I will, an intend on volunteering for a polygraph administered by Federal authorities tl I am being constantly Harassed over my TV and Radios Night and Day with this technology saying or interjecting the following things into TV shows "We" and "I just want to know where you got it all"? and "I just want to know why you did it all"? This Remote Neural Monitoring technology is able to alter and interject words or sentences into what is being shown on a persons TV, so if someone tells you that their TV is talking to them don't be so quick to call that person crazy!. This technology is also set or 'fixed' to show commercials on the TV pertaining to what i am thinking about, for example if i am thinking of eating a pizza, a pizza hut commercial will be shown on the TV, or if im thinking of using the bathroom a charmin toilet paper commercial will be shown on TV, this is the same with whatever i may be thinking at the time.

Other things that have been interjected into my TV's as a direct result from this Remote Neural Monitoring satellite technology including the following death threats on my life that I do have documented and recorded.

"Don't go to the F.B.I. you'll get a heart attack"

"You keep on your gonna get a heart attack"

"You go to the F.B.I. This will never be over"

"He still wants to go to the F.B.I. on us"

"If he goes to the FBI were not gonna get the money"

"were" meaning family I assume.

This statement was interjected into a male news anchors speech during a local newscast, and was only audible on the TV in the living room where family was at the time. This interjection and speech was not audible on the TV in the room I was in even though the TV was on the same channel.

I have these statements that were interjected over my TV and that were 'voice morphed' into my scanners recorded and documented, this includes voices of friends of mine being cloned and broadcasted over my Police scanner one of these friends whom is a Police officer who's voice is being voice morphed or cloned and broadcasted over my scanner this Police officer can verify that this is his voice being cloned and used.

The individuals who are using (Abusing) this satellite technology have identified themselves as the T.B.I Tennessee Bureau of Investigation and the United States Air Force

Earlier this year I picked up the phone and called the F.B.I. field office in Tennessee and was somehow connected and talking to what sounded to be some kind of machine that sounded almost human, remember this technology blankets or covers the area where the person is that is being targeted with this so it CAN tap into all electronics including phones, computers TV's scanners and radios once I called the number an aggressive rude fast talking man (machine) answered I gave this man or (machine) a short description of what is happening with all this, I was only able to say about 3 or 4 sentences before the man (machine) spoke up and said "Is it something the T.B.I. can help you with".

10:14 I was hit in my stomach with this directed energy weapon that caused my stomach to twist sideways.

10:16 I was hit in my stomach with this directed energy weapon that caused my stomach to twist sideways.

During the year of 2009 I was hit extremely hard in my chest area with this technology while setting in a chair in my bedroom. This technology is capable of causing heart attacks.

Over the last year especially while in bed I have been hit extremely hard with this technology causing my my legs arms and whole body to jerk usually when i am in bed. once while laying in bed I was hit so hard with this weapon it caused my leg to twist sideways at other times this weapon has been focused on me while trying to sleep and has been used many times to keep me from falling asleep. This Directed Energy Weapon has also been used to knock me out of a sound sleep on multiple occasions.

11-14-2010 I layed down in bed today as soon as I started to drift off to sleep I was hit in my upper thighs lightly or 'nudged' with directed energy from this satellite technology keeping me from falling asleep, this was done 3 times, each time I started to fall asleep keeping me from sleeping. This is being done intentionally to harass me and to keep me from sleeping.

As of now I am still being constantly harassed over my TV and radio with this RNM Remote Neural Monitoring with "I just wanna know where you got it all" which is being said over both TV and radio day and night, along with occasional taps on my left arm.

12-19-2010 While laying in bed trying to sleep I was hit or 'nudged' around 9 times with small amounts of Directed Energy waking me up every time I would almost fall asleep.

12-20-2010 Today while laying in bed I was hit around 10 times with small amounts of Directed Energy or 'nudges' keeping me from falling asleep.

12-26-2010 While laying in bed today trying to sleep I was hit or 'nudged' around 8 times with small amounts of directed energy every time I would start to fall asleep.

12-27-2010 Today while laying in While laying in bed today trying to sleep I was hit or

'nudged' around 8 times with small amounts of directed energy every time I would start to fall asleep.

1-11-2011 I layed down in bed tonight at around 7:00 as soon as i started to drift off to sleep i was hit or nudged in my lower legs with small amounts of directed energy that felt as if something was putting pressure on or grabbing my leg and awakened me, each time I started to fall asleep i was hit again with a small amount of directed energy keeping me from falling asleep i was hit extremely hard 5 times with this directed energy that shook and caused my body to move while laying in bed. I had to get up and was unable to sleep. I also had a faint high pitched ringing tone in my right ear that lasted for almost the entire night this is known as (silent sound) there is a pattern of victims of Electronic Harassment reporting that they are suddenly awakened or startled when they try to drift off to sleep.

1-13-2011 I layed down in bed tonight as soon as i started to drift off to sleep i was hit or nudged in my ankles and lower legs with small amount of directed energy that kept me from going to sleep around 7 times and was forced to get up.

2-4-2011 I layed down in bed today and started to drift off to sleep shortly after i layed down I began to be hit with small amounts of directed energy in my lower legs, arms, and hands. I was assaulted with this technology around 13 times every time i would almost fall asleep before i got up out of bed. was laying on my stomach and was hit extremely hard

in my lower legs that pulled and levitated my lower legs up about 2 feet into the air. I was also hit in my hand with this technology which caused my hand to turn sideways.

2-6-2010 When I tried to go to sleep today I was intentionally kept from going to sleep around 10 times with this technology. Later on tonight while setting in chair i tried to drift off to sleep and as soon as i started to drift off to sleep I was hit in my right lower leg with this technology twice keeping me from falling asleep.

8-26-2011 Today i tried to go to sleep for around 3 hours I was intentionally hit or nudged around 26 times with this Remote Neural Monitoring satellite technology causing my leg to jerk forward I was also nudged in my fingers and various other parts of my body every time I almost fell asleep Later I was laying on my back and had my hand on my stomach and was nudged in my hand with this technology that caused my hand to make an up and down jerking motion, last Wednesday i was laying on my back in the same position with my hand on my stomach and was nudged in my hand that moved my hand rapidly onto my private area. .

12-29-2011 Tonight when I layed down in bed tonight as soon as started to drift off to sleep I was hit or nudged with this Remote Neural Monitoring Technology keeping me from going to sleep. over the last 4 months I have been kept awake on numerous occasions with this technology.

1-10-2012 When I layed down and started to drift off to sleep, my left hand was hit and

nudged 2 times with this RNM technology each time I almost went sleep keeping me from sleeping.

1-16-2012 When I layed down and started to drift off to sleep, I was hit or nudged with this RNM technology each time I almost went to sleep. In the last week I have been harassed at least 9 times with this technology involving masturbation including being repeatedly tapped on my right buttock where I keep my wallet conveying masturbation for money (Racketeering) which is a Federal Crime.

1-21-2012 4:37 I was tapped 2 times times on my right buttock with directed energy from this satellite technology harassing me over masturbation This makes around the 6 time today this has been done.

1-24-2012 8:26 High pitched ringing tone started in my right ear lasted around 5 seconds

1-24-2012 8:28 Loud high pitched ringing tone started in my left ear lasted around 8 seconds then lowered in volume as I was writing this I was tapped on my left arm as in affirmative with this satellite technology.

1-25-2012 8:22 High pitched ringing tone increased in volume in my right ear

1-28-2012 2:02 Tone burst started in my right ear that felt like my right ear was expanding lasted 3 seconds. This ringing tone (Silent Sound) has been audible in both ears every since this Remote Neural Monitoring Satellite Technology was illegally placed on me over 8 years ago.

2-1-2012 4:17 I was poked hard in my lower abdomen men with this satellite technology this is the 4th time this has been done this week.

2-10-2012 As soon as I layed down tonight and tried to sleep, I was intentionally hit or nudged with this Remote Neural Monitoring satellite technology around 16 times which started out as small fast paced repetitive nudges on my lower legs then I was hit in my left hand while laying on my stomach that caused my hand to move toward my private area then my left hand was nudged 3 more times keeping me from sleeping. I have also been subtly harassed multiple times this week involving masturbation including being repeatedly tapped on my right buttock with this technology again conveying (masturbation for money) (Racketeering) which is a Federal Crime. I also received multiple taps on my left kneecap from this technology conveying "Doctor" as in doctor testing reflexes I assume. This has been repeatedly done over the last 2 years any time I think or state that i demand this technology to be shut off my person. Also the persistent constant ringing tone (Silent Sound) that has been audible in my ears every since this Remote Neural Monitoring satellite technology was criminally placed on me, has increased in volume over the last 2 days and has changed tone and pitch multiple times in the last 2 days. As mentioned on this blog, I suppose Silent Sound, and being

intentionally kept awake and being harassed with technology involving masturbation is part of the healing process????.

2-12-2012 I have been harassed with this technology multiple times today involving masturbation including being repeatedly tapped on my right buttock where I keep my wallet with this technology again conveying masturbation for money (Racketeering) which is a Federal Crime.

2-13-2012 As soon as I layed down tonight and tried to sleep, I was intentionally hit or nudged with this Remote Neural Monitoring satellite technology around 11 times, about an hour later I finally got to sleep.

2-22-2012 As soon as I went to sleep I was hit with this technology that jolted me and woke me up. I have also been repeatedly harassed with this technology involving masturbation multiple times this week in the form of small taps on my right buttock where I keep my wallet.

Update

The individuals responsible for and are operating the RNM technology are claiming to be operating out of Cincinnati Ohio and are apparently enabling a Sexual Harassment Criminal Racketeering Operation involving masturbation (NO JOKE). This Racketeering operation is apparently being run by allowing and giving other individuals illegal criminal access to the victim's person (audio and sight) via Remote Neural Monitoring Satellite technology which is allowing these individuals to illegally criminally log onto the internet and hear and see what the victims are hearing and seeing. These individuals are apparently paying the victims family as a Racketeering service for letting these individuals criminally access this criminal Racketeering service via computers and the internet. These individuals are using cover, reasons and excuses such as (1.) "The victim has a disease and we are secretly healing it with the technology" and (2.) "we are doing a government investigation". these are the lies that are being used to cover this illegal criminal racketeering business. More information will be released soon.

LEGAL WARNING This is a legal warning to the individuals that are illegally criminally eavesdropping violating my constitutional and civil rights by use of computer access. I am now stating in electronic format that "I demand that you cease all illegal criminal instances of electronic eavesdropping and the violating of my constitutional and civil rights utilizing electronic equipment. this includes the use of computers, and cellular telephones, and any type of electronic notification system, that LISTENS,INTERCEPTS,RELAYS, RECORDS OR TRANSMITS ANY PERSONAL INFORMATION FROM ANOTHER HUMAN BEINGS BRAINWAVES TO ANOTHER HUMAN BEING OR TO A THIRD PARTY INCLUDING BUT NOT LIMITED TO BRAINWAVES,SPEECH KEYWORDS,SUBJECTS OR TOPICS OF A PERSONS THOUGHT PROCESS.

I am verbally legally warning you now to stop! Failure to do so will result in myself suing each one of the individuals personally and those individuals being given a polygraph by federal authorities (in which they will fail!) to verify their illegal criminal activity against me, then prosecuting you to the fullest maximum extent of the law possible!

You have been warned. R.O. Friday November 18, 2011

8 Reasons Why Remote Neural Monitoring

8 Reasons why I want the Illegal Criminal Use of the Remote Neural Monitoring against me Stopped and why I will be suing and having the individuals involved punished to the fullest maximum extent of law.

(1.) The VICTIM Was NOT notified nor did the victim give consent before being subjected to this apparent ILLEGAL CRIMINAL RACKETEERING / HUMAN TRAFFICKING OPERATION involving "pay for masturbation" nor did these Criminal individuals gain the victims permission before ILLEGALLY CRIMINALLY placing the Remote Neural Monitoring Technology on the victim. The victim family and some neighbors ARE repeatedly being directed to harass or enticing the victim with Directed Conversation involving masturbation. The victim IS NOT interested in and wants ALL INSTANCES of this harassment involving "masturbation for money" and the Criminal Illegal Remote Neural Monitoring STOPPED and is threatening to and WILL SUE for hundreds of MILLIONS of dollars and have the CRIMINAL individuals FEDERALLY IMPRISONED!.

(2.) The victims Privacy, Civil and Constitutional Rights HAVE and ARE being VIOLATED and the victims personal information, private thoughts actions Ect. gained from this Illegal Criminal electronic monitoring with this Remote Neural Monitoring technology HAS been and IS being Illegally Criminally shared, logged and tracked by multiple individuals including some of the victims family, some of the victims neighbors, and some friends of the victims family, for the purpose of Harassment and Psychological warfare. Under United States Code **TITLE 18 PART I > CHAPTER 119 > § 2511** the above Criminal actions are **punishable by a fine and prison time. U.S.C (U.S. criminal code) 47 / 223-A-1-C** Repeatedly initiating communications with a communications device solely to harass an individual or individuals.

(3.) As a direct result from this Remote Neural Monitoring Technology, The victim **HAS** been and **IS** being exposed to a **HARMFUL** Directed Energy for years at a time. Quote "Scientists believe that like leukemia and the cancerous risks posed by mobile phones which also emit microwaves, Remote Neural Monitoring **CAN** also pose similar threats to a subject's overall health as the heating effect of tissues with the speed of light is a known effect of high powered microwave and electromagnetic pulse weapons".

(4.) Some of the victims family and some neighbors **ARE** participating in and going along with this criminal activity because of **MONEY!** and **WILL LIE** or attempt to use cover when questioned about this **CRIMINAL ILLEGAL BEHAVIOR.** with excuses and **COVER** such as "We are doing a government investigation" and "The victim has a disease and we are secretly healing or curing it with the technology" Hypothetically Using Scenario 2, Ask yourself this **COMMON SENSE** and **LOGICAL** question? How would anyone know if the victim has, or has had a disease?, considering the victim has had NO X-Rays and NO Blood tests! **HOW WOULD ANYONE KNOW IF THE VICTIM HAS A DISEASE????** again **COMMON LOGICAL SENSE!**

(5.) the victim **IS NOT** interested in and wants **ALL INSTANCES** of this harassment involving "masturbation for money" and the Criminal Illegal unconsented use of the Remote Neural Monitoring **STOPPED** since the **CRIMINAL** individuals and members of the targets family have chosen to **VIOLATE** the victims constitutional and civil rights by 'keeping logs' and being given **ILLEGAL**

CRIMINAL access to the targets or victims private information (Thought Reading, actions Ect, by ILLEGAL phone and computer logs, then criminally intentionally repeating back this information while around the victim using Directed Conversation for the purpose of Harassment. The victims private information and actions are also being criminally illegally given to local media news outlets for the same purpose of harassment as mentioned above. You should also be advised that **NO** Law Enforcement is authorized to "give out" share, notify or report the victims personal or private information gained from Illegal Criminal Electronic Monitoring with Remote Neural Monitoring Technology, and utilize this information for **Harassment** and **psychological warfare**, This information includes the victims brainwaves, thoughts, actions, or location. They **CAN** and **WILL** be **SUED** and punished for doing so, the same applies to any other individual who wishes to participate in this criminal activity.

(6.) These criminals are providing **ILLEGAL CRIMINAL** access to the victims private and personal information Thought Reading, and actions Ect, to some members of the victims family, some neighbors and other individuals by ILLEGAL phone and computer logs, then criminally intentionally repeating back this information and utilizing this information for the basis for harassment and psychological warfare while around the victim for the purpose of harassment, and invasion of privacy, using Directed Conversation and the use of some neighbors, strangers and individuals in vehicles.

(7.) These CRIMINAL individuals are sending messages to individuals the victim is believed to be in contact with and telling them SCRIPTED LIES and EXCUSES for their CRIMINAL RACKETEERING ACTIVITY, and asking them to go along and participate in this criminal activity, DO NOT BELIEVE any of these LIES, and realize if you are going along with this YOU ARE contributing to the Harassment and emotional distress of the victim. If you have been sent any of these messages asking you to participate in this criminal activity, please log and copy these messages and mark down the time and date you received these messages and send them to this youtube channel

(8.) The criminals who are doing this and VIOLATING the victims constitutional and civil rights with this remote neural monitoring technology ARE CLAIMING to be operating and doing this with the remote neural monitoring technology out of (CINCINNATI OHIO) THIS IS NO JOKE AND A VERY SERIOUS CRIMINAL MATTER and the criminal individuals involved WILL be SUED and FEDERALLY IMPRISONED for doing so.
