RE: Open Records Request

Date of Request: 7/19/21

Dear Sir or Madam:

The Green Bay Police Department has received your open records request and after careful review has redacted portions of the requested documents in accordance with Federal and State laws. Specifically, portion(s) of your record(s) were withheld/redacted for the following reason(s):

- ☐ A "record" as defined in Wis. Stat. §19.32(2), "does not include drafts, notes, preliminary computations and like materials prepared for the originator's personal use...Materials which are purely the personal property of the custodian and have no relation to his or her office..."
- ☐ "Any record which is specifically exempted from disclosure by state or federal law or authorized to be exempted from disclosure by state law is exempt from disclosure [under the public records law]." Wis. Stat. §19.36(1)
- ☐ "Personal information in state motor vehicle ("DMV") records." 18 U.S.C. §§2721-25
- ☐ No-DPPA statutory, common law, or balancing test considerations warrant redaction of or preclude the disclosure of certain personal information and or highly restricted personal information obtained from the State DMV and contained in law enforcement records pursuant to the usual public records law analysis. OAG I-02-08 (Apr. 29, 2008)
- ☐ Investigative information obtained for law enforcement purposes when required by federal law or regulation to be kept confidential, or when confidentiality is required as a condition to receipt of state aids. Wis. Stat. §19.36(2).
- ☐ Computer programs. Wis. Stat. §19.36(4)
- ☐ Trade secrets. Wis. Stat. §19.36(5)
- ☐ Identities of certain applicant for public positions. Wis. Stat. §19.36(7)
- ☐ Identities of law enforcement informants. Wis. Stat. §19.36(8).
- ☐ Plans or specifications of a state building. Wis. Stat. §19.36(9)
- ☐ Information maintained, prepared or provided by an employer concerning the home address, home e-mail address, home telephone number, or social security number of an employee. Wis. Stat. §19.36(10)(a)
- ☐ Information relating to the current investigation of a possible criminal offense or possible misconduct connected with employment by an employee prior to disposition of the investigation. Wis. Stat. §19.36(10)(b)
- ☐ Information pertaining to an employee's employment examination. Wis. Stat. §19.36(10)(c)
- ☐ Information relating to one or more specific employees that is used by an authority or by the employer of the employees for staff management planning, including performance evaluations, judgments, or recommendations concerning future salary adjustments or other wage treatments, management bonus plans, promotions, job assignments, letters of reference, or other comments or ratings relating to employees. Wis. Stat. §19.36(10)(d)
- ☐ Information maintained, prepared or provided by an employer concerning the home address, home e-mail address, home telephone number, or social security number of an individual who holds a local public office or state public office. Wis. Stat. §19.36(11)
- ☐ Wis. Stat. §19.36(12) states that unless specifically authorized or required by statute, an authority shall not provide access to a record prepared or provided by an employer performing work on a project to which s. 66.0903, 66.0904, 103.49, or 103.50 applies, or on which the employer is otherwise required to pay prevailing wages, if that record contains the name or other personally identifiable information relating to an employee of that employer, unless the employee authorizes the authority to provide access to that information. For this subsection, "personally identifiable information" does not include an employee's work classification, hours of work, or wage or benefit payments received for work on such a project. The privacy interests of employees of private companies contracting with a public entity outweighed public interest in disclosure of those employee's names. Kraemer Bros., Inc. v. Dane County, 229 Wis. 2d 86, 599 N.W. 2d 75, (Wis. App. 1999). [prevailing wage]
